

Memorandum of Understanding between St Albans City & District Council and Look! St Albans

Both parties confirm their:

1. Support for positive planning and achieving high quality design of buildings and spaces for St Albans city centre.
2. Support for workshops along the lines of those referred to in the Look! St Albans Design Workshop Report (January 2013) and the Look! St Albans adopted constitution.
3. Understanding that the results of workshops and other representations from Look! St Albans will be reported to Councillors as part of any planning policy document adoption or application process for key sites in the City Centre.

The Council will make potential developers interested in key sites in St Albans City Centre aware of Look! St Albans and pass on contact details.
